Maybe even better than free.

Using file, you can circumvent those limits without paying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. filehosting provides an easy possibility for you to send large files to your friends. You can give this download link to your friends by mail or instant messenger. Simply upload your file and share the link. Files can be downloaded from any computer from our high speed servers. No account or credit card is required to get started. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Alternatively you can choose to share your download links on blogs, forums and social networking sites. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. File is free to use with no gotchas and no hidden fees. Unfortunately, we can't make that part free. There are no restrictions on the number of times a file can be downloaded. The cost of that datatransfer is covered by your internet service or the data plan on your phone. If only we could, we surely would! On the other hand, using file can actually saveyou money. Any file in any format can be uploaded and downloaded for free. Why pay storage fees for a file that you just wanted to send to a friend orcolleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. It is also allowed to link to the download pagefrom websites and communities. You don't need any special software installed to be able to download your files. Just upload the file you want to share withyour friends and we send you a download link to your file. We have no file size limit. So try our free and simple filehosting service now. You decide who youwant to share your files with. Our service is completely free for everyone. You can upload any type of file (movies, music, documents, images, zip files andmore). Keep your files private, or send your download links only to friends or family.
